## **Ashlar-Vellum™ Expands European Operations**

**August 1, 2011, Austin, TX.** Ashlar-Vellum announced today the expansion of their European offices in September into additional offices in Kiev, Ukraine. The new space will be used to provide space for an expanded development.

Robert Bou, president of Ashlar-Vellum, commented, “Kiev has a deep pool of talented science and engineering programmers. This, coupled with the region’s strong desire to integrate rapidly into the rest of Europe, makes it the ideal location to expand our European development operations.”

### **About Ashlar-Vellum**

Founded in 1988, Ashlar-Vellum is the leading provider of precision CAD and 3D modeling software that automates and simplifies the design process for drafting, design, and engineering professionals on both Macintosh and Windows platforms. Ashlar-Vellum's unique Organic Workflow™ featuring their renowned Vellum® user interface and powerful toolsets have earned the loyalty of innovators around the world. Ashlar-Vellum operates from its headquarters in Austin, Texas. To learn more call +1 800-877-2745 or visit [www.ashlar.com](http://www.ashlar.com).
